US 1100- University Seminar

Texas State GPA 2.00

Major GPA (PD Module) 2.25

Foreign Language Proficiency

If two years of the same modern language are taken in high school, then no additional language hours will be required for the degree. In the absence of modern language taken in high school, then two semesters of the same modern language (1410 and 1420) must be taken at the college level, and the requirement will be added to the student's degree audit.

Occupational Emphasis (OE) Module (47 hrs.) – Past

Select 41 semester credit hours to satisfy this module from experiential learning (work/life experience, non-collegiate sponsored instruction, credit by examination), or transfer work from other accredited institutions of higher education.

This module may be satisfied through a number of options including traditional course work from Texas State and transfer credit from accredited institutions of higher education plus limited numbers of hours from non-traditional methods including correspondence, extension, and forms of testing including CLEP and DSST.

| <input type="radio"/> OCED 4350 Adult Development & Career Planning (WI) | <input type="radio"/> |
| <input type="radio"/> OCED 4111 Independent Study in Occupational Education (optional-work/life credit) | <input type="radio"/> |
| <input type="radio"/> | <input type="radio"/> |

Professional Development (PD) Module (24 hrs.) – Future

This module of 24 advanced semester credit hours is individualized to students' career goals. Students will choose courses from at least three different disciplines with the assistance of the academic advisor. This module of 24 advanced semester credit hours constitutes the major for GPA calculation purposes.

Professional Development course options: <https://www.owls.txstate.edu/undergraduate-degrees/baasadvising/baastopics.html>. You also have the option to complete the Certified Public Manager program to satisfy the Professional Development Module: www.txstate.edu/cpm.

BAAS Capstone (6 hrs.) – Final Semester Project

This capstone experience is completed during the student's last semester. The capstone requires an application to the department during the semester prior to anticipated enrollment. See the department website (www.owls.txstate.edu/undergraduate-degrees/BAAS-Capstone.html) for the most recent application form and instructions. All other degree requirements must be completed prior to enrollment in the capstone courses.

| <input type="radio"/> OCED 4361 BAAS Capstone Part 2 (WI) |

Graduation Requirements:

- Total Minimum Hours: 120
- Minimum Texas State Hours: 30
- Minimum Advanced Hours: 36 Advanced Hours (3000-4000 level classes); 24 or more at Texas State
- Minimum Writing Intensive Hours (WI): 9
- 24 of the last 30 hours must be completed at Texas State

See the Texas State University undergraduate catalog (<http://mycatalog.txstate.edu/>) for a complete list of graduation requirements. The final responsibility for meeting all graduation requirements stated in the undergraduate catalog rests with the student. This form is only a guide to understanding the Texas State undergraduate catalog. This sheet is not meant to be a complete list of University graduation requirements.

**Students will not receive general education core curriculum credit for both CHEM 1310 and CHEM 1341

**Students will not receive general education core curriculum credit for both PHYS 1315 and PHYS 1430

If US 1100 is waived, a 1-hour elective may be required in order to meet 120 hours for graduation – please consult your academic advisor.
